Chairman W. J. Callahan:

All present except Chickering of Chesterfield; Hanson of Gilsum; Clark of Harrisville; Hetherman of Keene; Hall of Keene; White of Keene; Huntley of Marlow; Bullock of Richmond; Rice of Rindge; Randall of Troy.

Mr. Spaulding, Ex-County Commissioner, met County Commissioners, who found that the 1935 list left out \$15,000 for Court Expenses; donation to County Hospital \$3,000; paid \$8,000 for care of patients; County Commissioners Expenses \$96,140.97; paid out for Relief in January approximately \$5,633.36. Ex-County Commissioner hopes to give exact figures when relief figures are available. Cheshire County Extension service asks for \$5,400, Federal and State gives a like amount; report of progress moved by Shea of Keene.

Letter from E. E. Baker of Milk Producers and Distributors Association read as follows:

Keene, N. H.,
February 23, 1935.

“Mr. Wm. J. Callahan,
House of Representatives,
Concord, New Hampshire.

Dear Mr. Callahan:—I herewith enclose a statement taken from the records of the minutes of a meeting held in Keene, February 22, by the Keene Milk Producers and Distributors Association.

“Motion by Leon Taylor, seconded by Henry Barrett, that

the secretary be instructed to inform the representatives of Cheshire County that the Keene Milk Producers and Distributors Association go on record as in favor of House Bill No. 4, the so-called Milk Control Bill. Motion was carried."

Yours truly,

E. E. BAKER, Secy. Treas."

March 6, 1935.

Mr. Hilton of Keene offered a resolution relating to County Poor in the City of Keene.

Resolved that County Commissioners are empowered and directed to hire at once a full time agent to carry on the care of County cases on Relief in the City of Keene and to maintain a suitable office in Keene for this purpose. Mr. Wiswall of Marlborough amended said motion to add after "City of Keene" (third line) "and County." Mr. Spaulding, Ex-County Commissioner, said it is impossible to get bills from storekeepers paid as soon as verified. It may be necessary to employ an Investigator, if the State so requires. Mr. Hilton of Keene said the Salary of the Overseer of Poor \$400, and the Overseer is tied up very much by work at Keene. Mr. Appleton of Dublin, said County Poor has increased over county, due to conditions.

Chairman introduced communication from Mayor and Board of Aldermen as follows:

To the Commissioners and County Delegation for the County of Cheshire.

During the past two years when the problem of handling relief cases has been the heaviest in history, the matter was handled through a special office under State law. With the expiration of that law the old system by which the Overseer of the Poor became liable for the care of any person in a town whether such person had a settlement there or not came into effect again. During the first month of this year the Overseer of the Poor of the City of Keene paid out on so-called County

CHESHIRE COUNTY REPORTS

Cases over Thirty-Seven Hundred Dollars (\$3,700). This amounted in fact to practically as much as the Overseer of the Poor paid out on city cases alone. This involved not only considerable work for the Overseer of the Poor but also involved large expenditures for the City of Keene which the City was obliged to carry until reimbursed by the County.

While the law provides that the Overseer of the Poor of the City of Keene is liable for the support of anyone needing relief in the City regardless of his or her settlement this duty is evidently for convenience only and the law was not made with the idea of making the town or city the exclusive means of assistance in County Cases. The County in the final analysis has to bear the burden of the County Cases and it is evident under our law. The County could carry the burden of relief for County Cases in Keene without putting the liability on the City. This would avoid duplication of effort besides a substantial saving to the City of Keene and would allow the County to furnish its own relief in a manner it saw fit.

Due to the change in circumstances for the past few years we are asking that the County Commissioners and the County Delegation relieve the City of Keene of this burden which has been placed upon the City in the past two months and that you take action to handle the County Cases through your own agent in the City of Keene rather than throw the burden and expense on the City. We feel that this would be only fair to the City and ask your cooperation in this matter.

Very truly yours,

CITY OF KEENE,

By its Mayor and Board of Aldermen.

Meeting called to order by Chairman William J. Callahan. All members present but Messrs. Kimball, Hetherman, Shea and Hilton.

Question by Mr. Estabrook as to whether an increase of salary to the commissioners was necessary?

Mr. Appleton recommended that the bill be amended from the floor of the House.

Mr. Estabrook recommended that the thousand dollars be stricken out and seven hundred be inserted in its place. Mr. Randall one of the commissioners who was present at the last meeting of the delegation and reported the work had increased.

Mr. Britton said that the work had been increased thirty per cent over three years ago. Mr. Randall said that the clerk had extra work and works $5\frac{1}{2}$ days, people reelect clerk every two years.

Mr. Spaulding said that the clerk of the commissioners were doing more work than they should and they should have sufficient compensation. The informal vote was about additional clerk but the bill read to increase the salary for the present clerk.

Mr. Appleton said the county commissioners worked hard and that if the salary of the clerk was increased the rest should have an increase. Moved to amend House Bill No. 429 to read Rockingham county—thirteen hundred dollars—clerk, fourteen dollars. Motion lost 18-5. Mr. Wiswall said the delegation had nothing to do about Rockingham county so could not amend said bill without authority from Rockingham County Delegation.

Mr. Wiswall recommended House Bill No. 29 be read. Read by clerk, county commissioner, \$1,000; clerk, \$300 additional.

Recommended that the chairman make arrangement with commissioners and notify member of the delegation.

Moved to adjourn subject to call of chair and so voted.

Meeting called to order by Chairman Callahan. All members present except Kimball, Hetherman, Shea, Hall, Hilton, Huntley, Bullock and Rice.

Mr. Firmin moved that a committee of three be appointed by the chairman. Chairman appointed Mr. Firmin, Mr. Roch and Mr. Randall.

Mr. Randall asked opinion of delegation as to a convenient date for the delegation to visit county farm. Clerk read letter from County clerk as to visit to farm.

Mr. Roche moved and it was seconded that no dinner should be served. So voted.

Mr. Wiswall that the salary of two commissioners be made as \$1,000 and the clerk \$1,300. Motion moved and seconded for increase to apply for two years only.

Mr. Appleton moved that the bill should pass. It was so voted with a minority signed by Mr. Callahan.

Mr. Randall asked that the bill be referred to the house next week.

Concord, June 13, 1935.

Delegation met at county farm with county commissioners for visit and inspection of buildings. Supt. Sherman toured buildings with delegation. Delegation served very excellent dinner.

Meeting called by Chairman Callahan with all present but Hanson, Clark, Kimball, Hammond, Perry, Hetherman, Keating, Shea, Hall, Hilton, Spaulding, Rice, Granger, Perry and Read.

Discussion ensued about doctor for hospital because of death of Dr. Mousley and if expense would be lessened by taking patients to Elliot Hospital at Keene. Supt. Sherman pointed out it was not advisable for prisoners because of additional expense of guard. Hospital at farm could dispense with one nurse temporarily because of lack of patients. If contagious diseases broke out nurse would have to be restored and not much saving made. Miss Richardson felt they should be left as they are. Mr. Britton thought matter would be taken up in near future because no permanent doctor at Mousley hospital.

Discussion about state of finance of county. Commissioner Swan told of receiving bill of last February.

Clerk.

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Cheshire County:

Complying with the Public Laws of New Hampshire we are presenting our annual report for the year ending December 31, 1935, together with the reports of County Treasurer, Clerk of Court, County Solicitor, Sheriff, Superintendent of County Farm, Master of House of Correction and Farm Physician. The latter's report covers only a part of the year due to the fact that Dr. B. T. Mousley, who had acted in that capacity for eleven years, passed away quite suddenly the latter part of the month of May, much to the regret of all. The work of physician has been taken over by Dr. Neil Stevens of Walpole.

A number of improvements have been made in and around the buildings at the County Farm during the past year and the grounds greatly beautified on the old barn's location.

Only very needful repairs have been made in the Court House owing to lack of money, as we have felt that the taxpayers were already overburdened.

The relief situation has been and is our chief consideration. We have installed an entirely new set-up of records which has proved very informative, and with the aid of a County Investigator we have been able to get a complete history monthly and check up on each family, which has been most helpful in making adjustments which have proved to be a saving of dollars to the taxpayers.

We are calling to your attention that despite hard times Cheshire County finished the old year with all taxes collected from city and towns and can report no outstanding indebtedness. It is a showing of which we as Commissioners are proud

and are not unmindful of municipal officers' assistance who have cooperated in cleaning up their obligations seasonably.

We are grateful to Supt. and Mrs. B. F. Sherman for all courtesies extended to us through the year, and their unfailing kindness to the inmates is noteworthy.

We feel that we would be remiss in our duties if we failed to urge the citizens of the County to visit the County Farm and see for themselves how the unfortunates housed there are treated and cared for.

FRED A. RAMSAY,
GRACE A. RICHARDSON,
HENRY E. SWAN,
County Commissioners.

IN APPRECIATION

Dr. Bayard T. Mousley, Physician and Surgeon at
Maplewood Home and Hospital from 1924 to 1935

Sincerely mourned and gratefully remembered.

SUPERINTENDENT'S REPORT

To the Honorable Board of Commissioners of Cheshire County :

The following is the report of the Cheshire County Farm for the year ending December 31, 1935.

The most important repairs and improvements made during the year were the building of a screened-in porch for the first and second floors in the women's building, extensive repairs on the reservoir dam, and general repairs on the farm cottage, including installation of bathroom and hot air furnace. In further grading in barn yard a bank wall eighty feet long and five feet high was built.

The farm furnished the institution with the usual supply of farm produce, and about 4,000 quarts of fruits and vegetables were canned.

This institution as well as the County of Cheshire met with a severe loss in the death of Doctor B. T. Mousley. Doctor Neil C. Stevens of Walpole is carrying on our medical work very satisfactorily.

Both Mrs. Sherman and I wish to thank the Board of Commissioners for their support and co-operation during the year, the different groups who visited the institution with some form of entertainment, the church organizations who conducted our religious services, and all those who sent gifts, especially at Christmas.

Respectfully yours,

B. F. SHERMAN,
Superintendent.
